EXPERIENCE LETTER

Date: September 15, 2026

TO WHOM IT MAY CONCERN

This letter is to formally confirm that Mr. Aman Rajendra Prasad was employed with Passionate Infotech as an Android App Developer on a full-time basis from July 13, 2026 to September 15, 2026.

During his tenure with Passionate Infotech, Aman worked as an Android App Developer and was involved in designing, developing, testing, maintaining, and improving Android applications. He worked on multiple Android projects and contributed to more than 10 Android applications during his employment.

Roles and Responsibilities

- Designing and developing Android applications.
- Writing clean, efficient, and maintainable code.
- Testing and maintaining Android applications.
- Fixing bugs and improving application performance.
- Collaborating with designers and team members to deliver high-quality mobile applications.
- Following company development standards and project timelines.
- Maintaining confidentiality of company projects, source code, designs, documents, and intellectual property.

Throughout his tenure, Aman carried out his responsibilities with honesty, professionalism, and dedication. He demonstrated a responsible attitude toward his work and maintained professional and respectful conduct while working with the team.

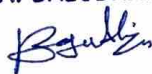

His employment with Passionate Infotech concluded due to a significant decline in revenue from the company's app business, resulting in no further requirement for the App Developer position.

We sincerely appreciate Aman's hard work, dedication, and contributions during his time with Passionate Infotech and wish him every success in his future professional career.
